

PolyVision to Exhibit + Host Scavenger Hunt at EDspaces 2018

Date : 09/10/2018

PolyVision will be exhibiting at EDspaces 2018 in Tampa, FL November 7-9. Booth #1634 will showcase the durability of CeramicSteel as a writing surface with live demonstrations testing the surfaces' resistance to scratching, staining and more. Trusted for more than 60 years, PolyVision understands the importance of consistent quality and reliable durability.

Also be sure to check your attendee bag! PolyVision is hosting a scavenger hunt for all attendees. Just follow the instructions on the card found in your attendee bag and turn it in at the PolyVision booth #1634 for the chance to win an Apple Watch and Premium Whiteboard!

The most reliable writing surface for durability and resistant to stains, scratches, bacteria, fire and chemicals, come put CeramicSteel to the test!

We look forward to seeing you at EDspaces 2018!
