

notch

Polyvision

More Details

- Made from durable CeramicSteel
- Magnetic
- Can be installed horizontally or vertically; orientation is not predetermined by hardware
- Certified Indoor Advantage™ Gold
- Class A Flame Spread Rating

Includes

- CeramicSteel panel
- Mounting hardware
- Cleaning instructions

With rounded corners and three different sizes, Notch sits nicely side by side or can live well on its own. This gives you the ability to build your wall to your liking and set the tone of your space.

From your school announcements to your hospital schedules, this super-durable and light writing tool can hang anywhere.

Size HxW	Weight	Thickness	Depth from Wall to Face
47" x 47"	32 lbs	0.25"	0.75"
47" x 72"	50 lbs	0.25"	0.75"
47" x 95"	66 lbs	0.25"	0.75"

*sizes are nominal

Corporate Responsibility

Polyvision believes that sustainability is an important business practice in today's global economy. In line with this belief, we strive for continuous improvement in all areas of environmental stewardship – responsible use of raw materials and natural resources, manufacturing processes and operation of all facilities – to reduce the impact of our activities on the environment. In the end, we believe we are all in this together, working to protect and cultivate the world we live in to make more sustainable choices.

Manufacturing Excellence

All Polyvision facilities are compliant with international standards and certified for Quality, Environment, Health and Safety. Our environmental goals aim to reduce and manage our global environment footprint in the areas of VOC emission, water use, waste output and CO₂ emission.

- ISO 9001 Quality Management Systems Certification
- ISO 45001 Occupational Health & Safety Management Certification

Ensuring A Sustainable Future

In addition to safe and sustainable manufacturing processes, Polyvision holds our products to the highest standards. We are third-party certified for our CeramicSteel surface by:

- Cradle to Cradle Certified – releases no harmful chemicals into the environment, safeguards clean water, materials are safe for humans and the environment
- Indoor Air Quality Certified to SCS.EC10.3-2014 v4.0
- ISO 14001 Environmental Management Certification

Warranty Protection

Polyvision utilizes CeramicSteel, which offers one of the industry's most comprehensive warranty with lifetime surface warranty for interior applications. Panel performance is subject to the panel & substrate material warranty.

CeramicSteel Surface

Forever warranty Polyvision warrants that all porcelain-enameled surfaces and/or products made with e^{3™} CeramicSteel (Premium Writing Surfaces) or a^{3™} CeramicSteel (Collaborative Products) will retain its writing and erasing qualities and maintain its gloss variance and color consistency for the life of the building or for as long as the product is in use, whichever comes first.

Panel Construction

10 year limited warranty Polyvision warrants that our panels, under normal atmospheric conditions and when sealed from moisture, will not delaminate from the substrate or warp for a period of 10 years.
