

On-the-Go Collaboration

CeramicSteel Mobile

Capture Ideas Anywhere

Polyvision CeramicSteel Mobile enables on-the-go collaboration. This two-sided mobile whiteboard features casters that lock and unlock so it can roll smoothly across the floor. Line up multiple boards side by side for large brainstorming sessions, separate them for smaller breakout sessions, or simply move collaboration from one room to another. When not in use, Mobile nests easily to save on space.

Productivity Meets Durability

Made with Polyvision CeramicSteel, Mobile features a smooth glass-like surface that is magnetic and easy to clean. Resistant to scratches, stains, fire and bacteria, CeramicSteel offers lasting durability for more than 50 years.

The Arctic White CeramicSteel surface delivers crisp marker-to-whiteboard color contrast with no shadowing effects, provides readability not found with other surfaces.

The aluminum frame is powder coated in select neutral colors to blend seamlessly into any space.

With Mobile, productivity can happen anywhere.

Standard Sizes

Dimensions	Weight
406.4 mm (d) x 1219.2 mm (w) x 1371.6 mm (h)	24.79 kgs
406.4 mm (d) x 1219.2 mm (w) x 1676.4 mm (h)	29.39 kgs

Textured Black
Steelcase Code: 7207

Platinum Metallic
Steelcase Code: 4799

**Actual color may vary.*

Warranty Protection

Mobile utilizes the CeramicSteel which offers one of the industry's most comprehensive warranty with lifetime surface warranty for interior applications. Panel performance is subject to the panel & substrate material warranty.

CeramicSteel Surface

Forever warranty Polyvision warrants that all porcelain-enameled surfaces and/or products made with CeramicSteel (Premium Writing Surfaces) or CeramicSteel (Collaborative Products) will retain its writing and erasing qualities and maintain its gloss variance and color consistency for the life of the building or for as long as the product is in use, whichever comes first.

Panel Construction

10 year limited warranty Polyvision warrants that our panels, under normal atmospheric conditions and when sealed from moisture, will not delaminate from the substrate or warp for a period of 10 years.

Hygienic Surface

CeramicSteel is a nonporous surface that is naturally resistant to bacteria and viruses. Coils, sheets, and panels with type U finish are also available in Polyvision's Hygienic CeramicSteel — a proprietary finish that incorporates an additive of silver micro particles formulated to create a self-sanitizing surface.

Sustainable

Polyvision's e³ CeramicSteel is Cradle to Cradle Certified™ Silver, highlighting the sustainable manufacturing process of the product. CeramicSteel is also 99.9% recyclable. CeramicSteel is also certified by SCS Global Services as Indoor Advantage Gold™, meeting strict indoor air quality (IAQ) chemical emission limits for volatile organic compounds (VOCs).

Customizable

CeramicSteel type H and U can be customized to support specific sheet sizes, custom colors and digital printing. Incorporate our material into your whiteboard design for premium aesthetics and functionality.

CeramicSteel Features and Benefits

- Smooth, inert surface
- Made from inorganic materials
- Magnetic
- Colorfast, will never fade
- Resistant to bacteria, graffiti, fire, scratches, stains, and chemicals
- Easy to clean
- Releases zero VOCs

Corporate Responsibility

Polyvision believes that sustainability is an important business practice in today's global economy. In line with this belief, we strive for continuous improvement in all areas of environmental stewardship — responsible use of raw materials and natural resources, manufacturing processes and operation of all facilities — to reduce the impact of our activities on the environment. In the end, we believe we are all in this together, working to protect and cultivate the world we live in to make more sustainable choices.

Manufacturing Excellence

All Polyvision facilities are compliant with international standards and certified for Quality, Environment, Health and Safety. Our environmental goals aim to reduce and manage our global environment footprint in the areas of VOC emission, water use, waste output and CO₂ emission.

- ISO 9001 Quality Management Systems Certification
- ISO 45001 Occupational Health & Safety Management Certification

Ensuring A Sustainable Future

In addition to safe and sustainable manufacturing processes, Polyvision holds our products to the highest standards. We are third-party certified for our CeramicSteel surface by:

- Cradle to Cradle Certified — releases no harmful chemicals into the environment, safeguards clean water, materials are safe for humans and the environment
- Indoor Air Quality Certified to SCS.EC10.3-2014 v4.0
- ISO 14001 Environmental Management Certification
